

2021 Spring Baseball Announcement and Information

Dear family and friends, Westchester Babe Ruth is happy to announce that we are ready to resume baseball operations for 2021.

To ensure the safety of all participants, there will be a number of guidelines and protocols put in place in order for our program to be compliant with the COVID-19 requirements that we have all grown accustomed to over the past several months.

In order for us to be able to operate in our permitted capacity, adhering to the following protocols is mandatory in order to participate in the program:

All participating families must sign and submit the COVID-19 Waiver prior to participation.

Arrival and pick up: Players must be dropped off and picked up only for their assigned workouts. No parental attendance is permitted at this time.

Please do not congregate at the main entrance or wait in front of the neighboring properties before the gate is opened. The front gate will be opened 30 minutes prior to designated workout times for drop offs and opened up 15 minutes ahead of scheduled conclusion for pick ups.

Temperature checks: Players must receive and pass a forehead thermal scan prior to exiting their car and participating for the day at the facility. A league volunteer will meet the players at the car and conduct the scan.

Facial coverings (mask, bandana, gaiters) are required at all times while on premises and during workouts.

Hand sanitation and hand washing will be available at all times for players.

Social distancing measures will be enforced in the dugouts and at workout stations.

Players are not permitted to share equipment. All gear must be player's own gear. The league will provide sanitized catching equipment for every workout session for catchers who do not have their own gear.

We appreciate your support and commitment to our program. We hope that this Spring program will help to provide much excitement and enjoyment for your child. Any further questions can be emailed to us and we will respond as quickly as we can.

Thank you,

-Westchester Babe Ruth Baseball.
